

May, 2018

Dear Cardinal Joseph Bernardin School Parent / Guardian:

RE: School Supplies

The supplies your child(ren) will need for the 2018-19 school year are listed on the back of this memo. (These grade level Supply Lists are also found on our website, should this list be misplaced.) Supply Lists are created by grade level and essentials teachers and are reviewed yearly. Please note: For next school year, there is **NOT** an option to purchase a "pre-packaged" supply kit.

An explanation of the Supply List is as follows.

Section "A" contains individual supplies to be purchased at your favorite location.

Section "B" contains items to be purchased in the School Office. (If you already have an item such as the CJB PreK/K nap mat, you need not re-purchase.)

Section "C" contains items such as tissue, paper towels, etc.

Pre-K Parents Note: Pre-K parents need not purchase *individual supplies* for their children, as supplies are provided by CJB. (This includes the sleeping "nap mat" for full-day Pre-K students.) Please review the back of this memo for the few items Pre-K parents are required to purchase.

*** **

As always, when shopping for school supplies, consider purchasing "Box Top" brands and clip the labels to get a head-start on next year's Box Top contests! If you have questions, please contact me at 708-403-6525 ext. 127.

Thank you.
