June 2022

Scrip is available all summer long!!

School's out, but you can still purchase Scrip throughout the summer and earn credit toward your next tuition or rebate check. If your last child has graduated 8th grade and is attending a Catholic high school, you can apply your Scrip credit toward tuition at that school. If you are finished with Catholic education completely, you can have the rebate come back to you!! See our summer sale dates and times on the following page. **Parish couriers will continue on their normal schedule.**

Our Local Supporters

Several of our Scrip vendors are local businesses in our immediate community, who have agreed to participate in our program and support Catholic education. Please patronize these businesses who so generously donate part of their profits to CJB and our school and parish families year after year.

"Buddy Families" Needed

Think back to your first months as a new Cardinal Bernardin family. You no doubt had questions about everything from morning drop-off to athletics to hot lunch. Even the smallest questions may have left you a bit overwhelmed. And, while Office staff is always helpful, sometimes you just need a veteran family to help navigate life as a new CJB family.

Mrs. Genesis Beninato and Mrs. Kelly Houston have agreed to coordinate the Buddy Program this year. We are reaching out to all CJB families to please consider joining our team of Buddy Families. (Maybe you served as a Buddy in the past. Maybe you wanted to volunteer, but just couldn't make the time. This is a great opportunity for you to help CJB over summer and to make new friends, as a bonus!)

What's required? Just a bit of time and a positive, helpful attitude. You can be a GREAT Buddy Family simply by:

Calling the family to introduce yourself and welcome them to CJB;

Communicating with the family over summer and answering questions (you always can refer them to the office if there is a question you are not familiar with;

Continuing as a "goodwill ambassador" and a resource as the new school year gets underway.

If you can assist with this enjoyable and helpful task, please return the below in an envelope marked CJB BUDDY or contact Mrs. Genesis Beninato at Genesis.Stano@yahoo.com or Mrs. Kelly Houston at kellyhstn@gmail.com

Cardinal Joseph Bernardin Catholic School has updated its uniform guidelines for the 2022–23 school year. **The uniform guidelines are a return to our uniform policy that was relaxed during the pandemic.** We hope that the updates will make it easier for your family to shop and easier for students to be in proper dress code. These guidelines will be strictly enforced next year. A FAQ has been provided for additional clarification. Contact the CJB office if you have any additional questions about the updated guidelines.

Purchasing Uniforms: Uniform items may be purchased from Schoolbelles, Lands End, or any retailer that sells items in the styles listed above. (Jumpers and skirts must be purchased only from Schoolbelles or Lands End as indicated in the Handbook’s uniform policy chart.) Some popular retailers are Target, Walmart, Kohls, or Amazon. If you wish to purchase items with a CJB logo, please visit our Land’s End school store.

Uniform Resale: CJB hosts a resale several times during the year. Gently used items are available at reduced prices. We will announce upcoming sales through the VFF. Clean and gently used uniform items may be donated to the resale by dropping them off at the CJB office.

Spirit Store: CJB hosts spirit wear sales several times throughout the year. Spirit wear items vary and can be purchased through the spirit store. As a reminder, spirit wear is not allowed to be worn during the school day unless it is a Student Council, Spirit Wear, Out of Uniform Day.

Out of Uniform Days (OOU): Students are allowed to dress OOU several times during the year. Please check your calendar or school communications regarding these dates. Students are not allowed to wear clothes that are tight fitting, have rips, tears or inappropriate messages. Yoga pants, leggings, short skirts, short shorts, hats, spaghetti straps, or strapless tops are not allowed. Waistband of shorts must reach the natural waistline. Platform shoes or platform gym shoes, sandals, flip flops, clogs, backless shoes, and CROCS are not allowed. For more information on OOU days, please refer to our CJB Family Handbook.

Grooming Reminders:

- Boys - Hair should be above the eyebrows, trimmed to not exceed the top of the collar of the shirt in the back, and the middle of the ear. Facial hair is not permitted. Earrings or other piercings are not permitted on their face.
- Girls - Earrings are not permitted on their face (other than the ears) and they cannot wear any earring that will alter the shape of the ear or lobe. No makeup or excessive jewelry is allowed.

Uniform FAQ

Q: Do I have to buy uniforms from Land's End or Schoolbellies?

Answer: Only the uniform jumpers and skirts MUST be purchased through Schoolbellies or Land's End. Polo shirts and slacks may be purchased through your favorite retail chain.

Q: Do polos need to have a CJB logo?

Answer: No. Families often take advantage of Land's End's "penny" sale offered at various times during the year to get the CJB logo. Solid white or burgundy polos without a logo are acceptable.

Q: Are solid maroon sweatshirts acceptable?

Answer: No, sweatshirts must have a CJB school logo (available from the CJB year online uniform store anytime throughout the year). No hoodies are allowed.

Q: Are pants/shorts with back pockets acceptable?

Answer: Back pockets are acceptable, as long as the pants/shorts are not cargo-style with pockets on the sides of the legs. Joggers, black jeans, and jeggings are also not acceptable. Shorts cannot be worn October 1st - May 1st.

Q: Is performance/mesh athletic style fabric permitted for school polos?

Answer: Yes, as long as the shirt is a solid color and doesn't have a visible brand logo (ex: Nike, Under Armour, etc.).

Q: Are there uniform shoes?

Answer: Yes! SOLID black or dark brown (not beige or tan), flat-heeled, non-scuff shoes (with less than a 2-inch heel). Or SOLID-color white, black, burgundy, or gray gym shoes. No high top shoes, boots, Vans, or Converse. On gym days, gym shoes should also be similar to school shoes and not have neon/bright colors on them.

Q: Do preschool students have to wear uniforms?

Answer: The school's preference for PK students is that they wear our gym uniform.

Q: Can my student wear a jacket or sweatshirt over a uniform shirt when it's cold?

Answer: When students are inside the building, they may only wear uniform-approved CJB sweaters, fleeces, or sweatshirts (no hoodies).

Q: What is the proper length of skirts/jumpers? Can my student wear leggings, flannel pants, or sweatpants under skirts or jumpers during the day?

Answer: Skirts/Jumpers length should be no more than approximately two inches above the knee when standing. Leggings, flannel pants, and sweatpants are not acceptable under skirts/jumpers. Tights should only be worn under skirts or jumpers.

Giving old bikes new homes

Sustainability is at the heart of what we do! Every year, Working Bikes saves over 10,000 bikes from ending up in landfills, giving them new life in communities around the world and in our own backyard. Bicycling is not only a great, independent form of transportation and exercise, but helps reduce carbon emissions.

The Storefront & Repair Shop

Our storefront features adult and youth bicycles, new and used accessories, hard-to-find used parts and Working Bikes gear for sale. All bicycles have been refurbished by our team of talented, experienced mechanics who inspect the bikes and make all necessary repairs before they arrive on the storefront floor. Our mechanics also offer in-store repairs to help keep your bicycle in top condition all year long.

Proceeds from our storefront sales directly benefit our shipments. The money raised allows us to ensure that we remain a sustainable organization and that additional shipping costs are not passed on to recipient organizations.

Who We Are

Working Bikes is a 501(c)3 organization that was started in 1999 by a group of volunteers dedicated to recycling bikes, supporting bike culture, and helping International and local projects. Since its inception, Working Bikes has recovered tens of thousands of discarded and donated bicycles from Chicago and the Midwest. More than 38,000 bicycles have been distributed worldwide.

Why Bicycles

Countless bicycles are discarded or sit unused in basements or garages in the United States every year. But in a developing country, a bicycle can truly change the life of an individual, their family, and their community. In areas plagued by poverty, high levels of unemployment, and lack of reliable, accessible transportation, a bicycle can help provide access to jobs, education, and medical attention.

Many Working Bikes partners have bicycle-based endeavors that provide employment to severely underserved populations, including individuals with physical disabilities and those who have been incarcerated. Bicycles are also used for towing cargo and even as a source of electricity through the creation of pedal-powered machines.

Visit www.workingbikes.org

Local Impact

Working Bikes works with homeless transition and refugee resettlement programs to redistribute 250 bicycles per year. We serve as a training ground for countless volunteers to improve their mechanic skill and contribute to a larger cause.

Global Impact

Working Bikes ships over 5,000 bicycles per year to projects in countries throughout Latin America and Africa.
